Pedrona Serra, Andreu Camps, Núria Puig, Ana Andrés

Medellin 13th - 15th of September 2016

To be an organization aiming to gather and to **disseminate systematic and periodic information** about sport system in Catalonia and Spain.

Internal structure

- **Direction committee**
- **Team**
 - Director: Prof. Andreu Camps
 - Coordination: PhD. Ana Andrés
 - Technical team: scholarships
- **Advisors body**
 - Experts committee
 - Advisory council
- **External collaborators**

The Observatory support people and public and private social agents which participate in sport field developing activities.

The OCE create indicators about sport system, establish trends based on the indicators and realize periodical reports.

1. To design representative **indicators** of sport system.
2. Analyze **secondary data** useful to create new indicators.
3. To conduct **research** about new topics (primary data).
4. To conduct periodical **reports** about Catalan and Spanish sport situation.
5. To analyse relevant **trends** about sport system.
6. To **publish** research reports and proceedings.
7. To **disseminate** our data and researches through social networks focused in each target.

1. To design representative **indicators** of sport system.
